

Shipping speeds and pricing

We print and fulfill all our products **on demand** once you place an order.

To estimate when your customer gets their order, add our fulfillment time to the shipping time.

Hover over the map to see our average shipping times!

Fulfillment

It takes 2–7 business days to create apparel products and 2–5 business days for non-apparel products.

+

Shipping

Our average shipping time is 4 business days depending on the order's destination.

=

Estimated delivery

Your customer gets their order after we fulfill and ship it.

We ship **more than 3 million orders each year**. To ensure we send your products as fast as possible, we route your orders to our fulfillment centers where we can fulfill and ship them in the quickest way!

We partner with these global carriers to give you the best shipping experience:
